

POTS Solution Overview

Lingo is your all-in-one, single source for managing your POTS services at the lowest cost.

Reduce your POTS costs immediately, then replace your POTS with better service — and even more savings.

POTS Immediate Cost Reduction

Lingo POTS Bill Conversion

BEST CHOICE FOR:

- Immediate cost reduction
- Lowest cost option for subsequent POTS Replacement

HOW IT WORKS:

- Simple bill conversion
- No installation required
- Choice of plans to fit your calling requirements
- Seamless conversion in 7-14 days
- Replacement with Install & site survey charges waived

Fire, Life & Safety POTS Replacement

Lingo Safeline Alert+

BEST CHOICE FOR:

- Moving fire, life and safety POTS services to a modern, more reliable, lower cost technology
- Achieving maximum savings for current Lingo POTS customers

HOW IT WORKS:

- Site surveys and professional installation charges are waived.
- Dual-SIM wireless failover
- 12-hour battery backup
- Compliance built-in for PCI, HIPAA, UL, NFPA 72 and ASME A17.1B

Voice & Fax POTS Replacement

Lingo Cloud Phone & MS Teams

BEST CHOICE FOR:

- Replace Voice and fax based services with Cloud Phone products and/or MS Teams
- Moving your voice services to a modern, more reliable, lower cost technology.

POTS Replacement over Cable

Lingo Safeline LINC

BEST CHOICE FOR:

- Price stability and fast, easy conversion over existing Broadband connections.
- Moving your voice services to a modern, more reliable, lower cost technology

HOW IT WORKS:

- VoIP service via Lingo cable partners Spectrum, Comcast and Cox
- Professional installation and Site Survey (if required) charges are waived.
- Works with all analog phones & devices
