

Product Spotlight

Cloud UC

Lingo's Cloud UC product is an essential communications tool for businesses in the current time where there is a need for flexible/mobile office set up.

Lingo's Cloud UC product is built on the premier Netsapiens platform, that can exponentially grow and evolve with development of new features. And with Cloud UC being served from our own private facilities network with data centers in the cloud, customers can be assured on continuous security, reliability and availability of service.

Phone System Includes:

-  **Cloud UC**
-  **Auto Attendant**
-  **Lingo Mobile App**
-  **Web Phone**
-  **Voicemail to Email**
-  **Unlimited Local and Long-Distance Calling**
-  **Music on Hold**
-  **Over 50 More Advanced Business Phone Features**
